Assurance of scent on your body without any loss during spraying and comfort of focused usage as and where you need are the factors that make Roll on a preferred deodorising product. Aris Roll ons are specifically formulated to meet these consumer needs.

MINIATURE PERFUMES

On a low budget but still wants to experience a scentful day? Aris miniature perfumes are a perfect solution for such a need. Furthermore, these miniatures are handy to carry if you are embarking on a travel so that you will not be away from your aromatic choice. The miniatures also are designed to find a place in your pocket or handbag to freshen up for an unexpected meeting. Filled in gorgeous bottles and encased in aesthetic boxes, the miniatures are exact replicas of 100 ml regular Aris perfumes.
